

The Flavor Wonder From
Down Under

ChickenSalt

French Fries

Chicken Salt is a condiment in Australia that is as commonplace as ketchup and mustard are in the United States.

It is traditionally made from braised, salted and dried chicken that is ground and blended with salt and other seasonings. Newly Weds Foods has elevated this flavor “bomb” to deliver great umami impact, and added global inspiration found in current food trends.

Chicken Salt makes a flavorful rub or marinade for a variety of proteins, and a tasty seasoning blend for ready-to-eat meals. Newly Weds Foods Chicken Salt is your perfect complement to just about everything, and is a great way to bring trending flavors to life.
