

NEWLY WEDS[®] FOODS
inspiring new tastes

Snack Seasonings

We developed customized snack seasoning formulations for maximum flavor retention, cleaner flavor release, culinary balance and enhanced visuals. From mild to wild, we've created seasoning solutions for every kind of snack food – salty or sweet. We can even help you offer organic and non-GMO snack items for health-conscious consumers.

On-Trend Profiles for Snacks

Our chefs and food technologists are ready to create products that meet your specific needs as well as incorporate the hottest trends in food today. Newly Weds Foods is the leader in *inspiring new tastes*.
